The Brett Streza Memorial Scholarship Fund, through the Alliance High School Foundation, is a non-profit organization whose goal is to reward a student athlete scholarship to a student who meets the following criteria: Maintain a reasonably strong GPA, exhibit the academic strength and skills to continue with higher education, and serve in extra-curricular activities, either scholastic or in the community. The candidates will be evaluated by their teachers, coaches and other faculty members at Alliance High School.

Our goal for the scholarship is to not only to assist student athletes, but also to honor Brett's commitment of being a patriot, model citizen, student athlete, and family man. Based upon the success of the scholarship in his honor over the last several years, we are pleased to announce that in 2019 there will be two scholarships available to selected AHS student athletes.

With each corporate sponsor's donation, the value of the scholarship will increase and assists a recipient in keeping cost down in their goal for a higher education. As a corporate sponsor, your company name and/or logo will be prominently displayed on the "Thank You Banner", a golf hole of your choice, and the flier for the following year. We will also list your business name on the Brett Streza Fund facebook page. This will be a great way for you to promote your company with a direct focus on the greater Stark, Summit and Mahoning counties. As a non-profit organization, all donations are tax deductible.

We thank you in advance for supporting this scholarship. With your help, the Brett Streza Fund will be an asset to individuals for years to come.

Should you have any questions in regards to this matter, please contact one of our committee members below.

Sincerely,

Corey Streza- 214-683-6085
