

Baker Family endows the William D. and Mary Lou Baker Health Scholarship

Alliance High School Foundation

Summer 2012

The Baker family has announced the establishment of a scholarship in memory of their parents to be presented annually to an Alliance High School graduate who will be furthering his or her education in a health care related field.

Mary Lou and Bill Baker

Dr William D and Mary Lou Baker devoted their lives to medicine, both in private practice and in community outreach.

Bill earned his medical degree at Case Western Reserve Medical School in 1944 and served his residency at Crile Veterans Administration Hospital in Cleveland. He was on the Alliance City Hospital Board of Directors, served the hospital as Chief of Medicine and was a 30 year member of the Stark County Medical Association, serving a term as president. He was a Rotary member and named a Paul Harris Fellow. Dr Baker served as President and a board member of the Visiting Nurse Association of Alliance, tutored in the adult reading program, served the YMCA as a board member and fund raiser and actively supported the city of Alliance.

Mary Lou Belcher Baker graduated as a Registered Nurse from the Frances Payne Bolton School of Nursing at Western Reserve University in 1947 and was a member of the U S Public Health Cadet Nursing Corps. She volunteered her time at the Alliance Community

A LOSS IN THE AHS FAMILY

Norman McLeod '51 died August 4, 2012. He was 79. 'Mac' served Alliance, Marlinton and Louisville as a teacher and administrator for nearly 40 years and served as a 'class advisor' several times. Some of us will remember Driver Training trips to Purity Dairy. We would get ice cream cones, switch student drivers and return to the high school. He is survived by his wife, Jeanne Ameser McLeod '57.

Blood Bank, preschool clinics, the High School Now Committee which helped establish AHS at its current location and often substituted as the AHS clinic nurse. Mrs. Baker hosted Rotary exchange students from at least eight different countries and in recent years, while traveling internationally, was able to reunite with several of these students.

The Baker's children have donated \$50,000.00 to the AHS Foundation to establish an endowment that will assure the ongoing availability of funds to serve this scholarship purpose. The AHS Foundation will administer the Baker Health Scholarship fund and accept the responsibility of selecting the scholarship recipients.

Jeff Baker '68, Joan Baker Bankes '72, Tom Baker '73, Chip Baker '76 and Ann Baker Storck '84 have made this decision to remember their parents and help Alliance High School graduates, showing a similar community spirit and support that their parents demonstrated during their lifetimes. It is the family's hope that their gift will inspire a new generation interested in the advancement of medical care and treatment.

The Baker Health scholarship will assist AHS graduates to meet their educational goals beyond high school for many years to come. ✈

Top Ten Percent Academic Team at Alliance High School 2012

(front row) Alexandra Greenwald, Madison Lytle, Breanne Davis, Amber Rohrer and Morgan Smith; (middle row) Caroline Zurbrugg, Erin Dreger, guest speakers Natalie Schwarz-Ridley and Alisha Schwarz-Glasser, Danielle Kemp and Jensine Lin; (back row) Evan Ruggles, Joe Hogya, Cody Shearrow, Luke Van Orsdale, Estlin Haiss and Yale Robb.

Alliance High School's 'Top 10 %' of the Class of 2012 were awarded Academic letters at the annual Academic Recognition dinner last May. For the first time in the twenty-five year history of the dinner, co-speakers shared the podium. Sisters, Natalie Schwarz Ridley '02 and Alisha Schwarz Glasser '03 gave the keynote address after dinner. They also spent the day at Alliance High, speaking at a morning assembly to the entire student body and then meeting for informal conversations with selected students from all grades during the afternoon.

Natalie earned her BS in Journalism with a minor in Political Science from Ohio University in 2006. Internships while still in college included FOX 8 News in Cleveland, NBC News Channel in Charlotte, NC and CSET (Carolina Sports Entertainment Television) also in Charlotte. She is currently the Coordinating Producer of the morning newscast at News Channel 36 (NBC) in Charlotte.

Alisha earned her BA in Theater with a minor in History from Baldwin Wallace College. While in the UK, Alisha worked as an education intern and stage manager at the Stephen Joseph Theatre. She has stage managed many production for various groups in the Cleveland area and is returning to Lake Tahoe, Nevada as the Company Manager for the Lake Tahoe Shakespeare Festival.

Both sisters encouraged the 'Top 10 percent' to get involved in the college 'campus scene,' set goals and take advantage of internship opportunities (including volunteer opportunities). The experience and the personal contacts can lead to the professional life that challenges and fulfills each of us.

The academic achievements of each student were recognized as each was presented a certificate and a Varsity letter. The parents of the students were introduced, along with the student's 'honored educator,' chosen by the student as someone who has been most instrumental in the realization of their academic success. Each of the top ten percent received a \$200 cash award from the AHS Foundation.

Class gifts presented to the School at graduation

The tradition of each graduating class presenting a class gift to the school seems to have become obsolete. This was brought to mind when Mark Hennen ('72) brought the gift of 1919 to our attention. Their presentation plaque lists 219 AHS graduates from the classes of 1895 - 1918 and 3 faculty members who served in the World War (1919 was before we started numbering World Wars). It hung in the high school building at Broadway and Arch until the school was demolished in 1974. It was then salvaged by Jake Munitz '43, owner of Munitz Scrap Yard and eventually ended up leaning against a wall at Tri State Cycle Shop. Ray Rabuzzi ('72) and Cindy Munitz Cade ('63) teamed up to save this 'piece of history.' World War I was indisputably the worst conflict of the 20th century with unimaginable losses, so there is something deeply touching about this memorial that the class of '19 dedicated to their classmates and fellow graduates who served.

It's no disrespect to suggest Tri State Cycle may not be quite the place for it, and we'd like to hear your suggestions: Freedom Plaza in front of city hall? IN city hall? At the city cemetery?

The class of 1913 gave a plaque listing "Important Americans", starting with Washington, Jefferson, Adams...you get the drift. Until recently, it's been forgotten in the dark recesses of Glamorgan Castle. Michal Mainwaring '61 thinks we should give it to the first donor who sends us \$500. Any other ideas? The class of 1915 gave a chandelier which hangs in a stairwell near the cafeteria at the new high school.

Nothing can, or will, compare to the class of 1948's gift: the magnificent double murals that grace the auditorium. They were painted by students Charles Gehm '48 and Jack Stanley '48, young men of out sized talent that still amaze today.

The class gifts are a very old tradition so we know there are many out there, perhaps half remembered, that can form a catalog as part of our history. Please contact us with any information and ideas you have about other 'class gifts.' ✂
