**T**he family of Theresa Utterback has established a \$25,000.00 endowment to honor their late mother through a scholarship to graduating Alliance High School seniors.

The scholarship will total \$4,000.00, with the distribution being made as follows: \$1,000.00 prior to the first year of college, \$1,000.00 prior to the second year of college and \$2,000.00 prior to the third year. Initially, while the principal grows, the family will provide additional donations to fund each year's award.

Criteria for the award will include: a student from a single-parent family, academic accomplishment, financial need and work experience.

## AHS Class Of 1963 Establishes Scholarship

The Alliance High School Class of 1963 has established a scholarship endowment through the AHS Foundation to honor the memory of classmates. The first award of \$1,000.00 and will be presented to a 2013 graduating senior. Selection criteria for the recipient will include academic achievement, financial need, teacher recommendations, community involvement and extra-curricular activity participation.

This summer, the class will celebrate its fiftieth reunion, and decided that an appropriate part of the celebration should be sharing this scholarship with the AHS graduates of today. Collections from class members and friends have grown to over \$10,000.00. With the 50th reunion plans for July 26 and 27, 2013, in 'full force,' and the awareness of the impact that experiences at Alliance High School had on classmates' lives, it is hoped that more and more classmates will support the scholarship fund.

The AHS Foundation will administer this endowment fund and the AHS Foundation Scholarship Committee will select the recipient each year. ✈

### Top Gun Wrestling

The twenty-seventh annual Top Gun Wrestling tournament was held at AHS on January 18 and 19, 2013. Claymont High School took home this year's Championship trophy, but the real winners were the prestige of Top Gun Tournament and the City of Alliance. Forty-four high school wrestling teams participated including teams from Pennsylvania, West Virginia and from around Ohio. The community was alive for the two day event with Harry Fails Gymnasium and Mark Anderson Fieldhouse packed with spectators both Friday and Saturday and especially for the finals on late Saturday afternoon and evening. Stark County Treasurer Alex Zumbar '88 and Alliance Law Director Andy Zumbar '85 assisted in presenting the individual championship awards along with Chuck Kreiner, former AHS wrestling coach and founder of the Top Gun Tournament.

### Karen Johnson Twaddle '73 Resigns From AHS Foundation

Karen Johnson Twaddle '73 has submitted her resignation from the AHS Foundation board of trustees. Karen was elected to the board in April, 2000 and immediately took over the assignment of corresponding secretary. Over the past twelve years, she has handled those duties, as well as serving on the scholarship committee and preparing the minutes for the Foundation board meetings.

Karen's participation as a trustee during a period of endowment growth from \$150,000.00 to over \$2,000,000.00 has been a tremendous asset. Her input and insight have helped to maintain our focus on our original goals of aiding Alliance High graduates as they pursued education beyond high school. Karen's contributions will be missed.

# AHS Athletic Hall of Fame Honors Five New Members

The Alliance High School Athletic Hall of Fame Committee has selected five new members for the HOF Class of 2012. They are: Kendell Davis-Clark '05, Jan Kehres '04, E J Lilly '99, Doug Duncan '61 and Dawson Curtis '29.

The honorees were introduced prior to the AHS Varsity basketball game on January 25th and honored at a brunch the following morning at the Alliance Elks Club.

The AHS Athletic Hall of Fame was established in 1967 for the preservation of "A Heritage of Alliance High School Athletics." The initial selection committee focused on those athletes who had been out of school for more than ten years. Emphasis was given to the 'old timers' to take advantage of personal knowledge that still existed in the community at that time. Initially, twenty were inducted. This year's five recipients bring the total membership in the AHS Athletic Hall of Fame to 167, ranging from Jesse Beck, a 1911 graduate to this year's induction of Kendell Davis-Clark a 2005 graduate.

The Induction Class of 2012:

## **Kendell Davis-Clark, AHS 2005**

Kendell excelled in football and track at Alliance High. He is the only AHS four time state champion in track and field, as he repeated wins in the 100 and 200 meter races at Jesse Owens Memorial Track in 2005, leading AHS to the Division II State Championship in his senior year.

In football, Davis-Clark's speed at running back made him a player to be feared. He was constantly marked by opponents who still could not contain him. After graduation, Kendell went on to play Big Ten football graduating from Michigan State after lettering for three years as a defensive back for the Spartans.

## **Jan Kehres, AHS 2004**

Jan was a three sport star in volleyball, basketball and track. She was all Ohio in volleyball and qualified for regional competition in the middle distances in track three times. She received recognition as All NBC, All Stark County and All District in all three sports.

Jan graduated from Wittenberg University in 2008. At Wittenberg, she stepped into a starting role as a freshman, not only as a player but as a team leader on the court. She earned All-conference in volleyball and was part of a team that finished 38-1 in the 2007 season. Her team made it to the 'Final Four' of the NCAA Division Three tournament.

Jan received her Physicians' Assistant degree from Kettering College. After working in the Pittsburgh area, she is back in the area, employed at Youngstown Orthopedics Associates as a Physicians Assistant in ortho-spine service.

## **E J Lilly, AHS 1999**

E J was a three year starter for the Aviators, earning All-Ohio honors for football in 1996, 1997 and 1998. He rushed for over 5,000 yards in his high school career and is reputed to be the first player in Stark County history to reach that number.

He also set the single game rushing record for Alliance when he ran for 355 yards in a win against St Thomas Aquinas. Lilly lettered one year in football at University of Cincinnati and competed in six games for Mount Union in 2003.

E J is a 2011 inductee in the Stark County High School Football Hall of Fame.

## **Doug Duncan, AHS 1961**

Doug led the Aviators on the hard-court for three years, averaging 14.7 points per games for his career. AHS won the sectional tournament twice with him at center. He earned All Ohio basketball honors and was first team All-Stark County. He ranks in the top ten scorers in AHS basketball history with 765 career points, and he was a member of National Honor Society.

(Continued on next page)

## Hall of Fame (Cont.)

Doug competed in basketball at the University of Toledo scoring 11 points in his first varsity game against Notre Dame and later helping the Rockets defeat number one ranked New York University at Madison Square Garden. Doug graduated in 1965 with his BS in Business Administration. He worked in Purchasing and Business Supply Chain Management for B F Goodrich and several other companies at various locations throughout the United States. He currently lives in Williamsburg, Virginia.

Doug and his wife Brenda have three grown children, Scott, Julie and Heather.

### **Dawson Curtis, AHS 1929**

Dawson was a three sport star at AHS in football, basketball and track. He played end on the football team, was the leading scorer and rebounder on the basketball team, playing center and pole vaulted on the track team. His vault of 11 feet 9 inches in 1928 stood as the school record for fifty years, until 1978. Remember, in the 1920's, only 'bamboo' or 'cane' poles were available.

Curtis continued his athletic career at Mount Union, earning letters in his three high school sports plus golf. His college basketball teams won back-to-back Ohio Athletic Conference championships and he graduated in 1933.

Dawson married his high school sweetheart, Annette Hartzell '29 in 1935. He served in the navy in World War II as a gunnery officer. After the war, he held positions in sales, marketing and product research and development with several local and regional businesses. In 1964 Dawson started a new career teaching industrial arts at Glenwood High School. He received three 'Teacher of the Year' awards before retiring in 1978.

Dawson died in 1983 and Annette in 1996. Their sons, Bob '61 and Tom '65 accepted the award for their father. ✈

Left to Right: Jan Kehres, Bob Curtis & Tom Curtis (accepting for their father Dawson Curtis) Doug Duncan, Kendell Davis-Clark, Rod Jones (accepting for his brother E J Lilly).

## Class of 1960 Celebrates 70th Birthday

The Class of 1960 held their 70th birthday party last September at Heritage Oaks in Sebring. Nearly 60 classmates attended. A Friday mixer and the 'Big Party' Saturday night were the highlights. Class patron, Gordon Rinehart was in attendance, along with 'The Village People,' portrayed by John Admonius, Dave Ramser, Dave Emge and Evan Morris.

Pictures of class memories from high school and from past reunions were on display, as classmates shared remembrances and brought friends up to date about each others lives. Planning for the fifty-fifth reunion for 2015 will begin soon.
