# Total Scholarship Awards Surpass \$1 Million

www.ahsalumnifoundation.org Summer-Fall 2015

he AHS Foundation awarded over \$90,000.00 in scholarships to members of the Class of 2015. This brings the total AHS Foundation scholarships awarded since 1987 to more than \$1 million (\$1,000,000.00)!!!

Scholarship amounts in 2015 range from \$200.00 for all Academic Top Ten Percent students to three awards renewable over four years totaling \$10,000.00 per student.

Since the AHS Foundation was reorganized in 1986, with the first award being presented in 1987, AHS graduates have benefited from these scholarships as they pursued their educational aspirations beyond high school.

The scholarship fund has grown from a transfer of a dormant Alliance Kiwanis Club fund of \$6,000.00 (known as the Alliance Education Fund) to its present balance of over \$2.5 million. This increase stems from donations by AHS Alumni and friends. Only the interest and dividends from these donations is awarded in the form of scholarships for advanced education. The principal is invested and managed by the AHS Foundation Board of Trustees.

Over the years, families, groups and friends have chosen to establish Named Scholarship Awards through the AHS Foundation. Currently there are twenty-three such funds that awarded scholarships to thirty-one students in 2015. The general Scholarship fund of the AHS Foundation presented nine additional awards. Some of the Named Scholarship Funds have specific requirements identified, such as pursuing a course of study in the medical field, math, language, accounting/business, foreign teaching or history, or participating in community service or athletics, attending Rockhill Elementary, or being a descendant of a U.S. veteran or from a single parent home. These special requirements go along with consideration of the student's academic standing. extracurricular activities, teacher recommendations, financial need and involvement in the community.

AHS alumni have responded to the need for support of our graduates as they seek higher education. The costs and expenses associated with college and career-specific training are growing faster than most of today's students and families can handle. Surveys continually report on the increasing amount of debt that students must repay after their schooling. The AHS Foundation is committed to continue to help AHS graduates with their expenses as they follow their dreams.

Thank you to all AHS Alumni who have responded to the call for support of these efforts. Thank you to all who will consider this a worthy endeavor and respond in the future. Scholarships continue to be the focus of the AHS Foundation. Plans are already being made to award "the second million."

You can read about the AHS Foundation, about the Named Scholarships, see a listing of past scholarship recipients and much more at www.ahsalumnifoundation.org. ### **Amazon Smile is paying off**

The AHS Foundation Scholarship Fund has received \$25.33 from Amazon over the last four months. This may not seem like a lot, but it represents purchasers on Amazon Smile who clicked on the AHS Foundation to receive one half of one percent of their total purchase price as a donation to our scholarship fund. It did not cost the purchaser anything and the scholarship fund benefitted. Oh, by the way, that computes to over \$5,000.00 in Amazon purchases.

Go to <a href="http://smile.amazon.com">http://smile.amazon.com</a> : As a group, AHS graduates have buying power.

# 2015 AHS Academic Top Ten Percent

(front row) Olivia Turney, Alley Franklin, Annie Conway, Samantha Jackson, speaker Robert Fountain, Bethany Cox, Kira Nicholson, Abby SierraValle and Cecilia Stone; (back row) Dane Johnson, Alex Duffy, Evan Cope, Ryan Miles, Tyler Reber, Grant Clunk and Tyler Comtois.

The Academic Recognition Committee and the John and Roene Klusch Foundation, in cooperation with the Alliance Citv Schools. presented the twenty-eighth annual Academic Recognition Dinner on May 6, 2015. The top fifteen students at Alliance High School were honored for their academic achievements, along with their parents and honored educators.

This year, Mr. Robert L. Fountain IV, a 2008 graduate of AHS, R L Styles Salon, owner, and Director of Activities at McCrea Manor Nursing Home & Rehabilitation Center, was the principal speaker at the dinner. He

also spent the day at the High School speaking at a morning assembly of the entire student body and meeting with representative students from all grade levels for informal discussions.

Mr. Fountain began 'his plan' as a licensed Cosmetologist and after gaining experience he obtained his managerial and independent contractor license. In 2012 he purchased an existing shop and after much renovation, opened R L Styles Salon. He worked two other jobs to support the business in its infancy frequently voicing, "I have a plan." He was named 'Top Stylist for a Cleveland fashion show and every year since his AHS graduation he has given free haircuts to children going back to school.

Robert, in his spare time, has written several plays and skits for area churches and had the lead role for Let Go and Let God in Cleveland at the Playhouse Theater. Continuing to follow his 'plan,' he has applied to be an apprentice in a two year program known as Nest Generation, and will enroll in school this fall, taking up business/communication. Despite naysayers that tell him 'he is crazy' his response is always the optimistic, "I have a plan." Life is a series of ups and downs, highs and lows, hills and valleys, but Vision inspires.

During his talk to the Academic Top ten percent Robert called the group the "Elite." He used an analogy of Eagles being safe in the nest with the mother eagle nurturing them and the father eagle protecting from above, Gradually the mother eagle makes the nest uncomfortable, when it is time to fly, and pushes them out. They learn to fly and realize it is time to soar. Aviators Seniors have reached the time to soar. There will be resistance, but top ten percenters are ready.

Suggested keys to success are:

- You have to see it! (dream)
- Write it down! (motivation)
- Separate yourself! (from the crowd)

- Take a risk! (be willing to dare)
- Embrace the process! (failure is important for growth)

It will not be easy, but struggles will make you stronger. When you fail, 'fail forward.' Learn the lessons and use them for future successes.

Have a plan, a vision to inspire you. Aviators soar. Keep going up!

The academic achievements of each student were recognized as they were presented a certificate and a Varsity "Academic A" letter. The parents of the students were introduced, along with the student's 'honored educator,' chosen by the student as someone who has been most instrumental in the realization of their academic success. For the twenty-fifth consecutive year, each of the top ten percent received a scholarship award from the AHS Foundation.

## **Proper Flag Etiquette**

What do you do when the American Flag (Stars and Stripes) passes by in a parade?

What do you do when the National Anthem (Star Spangled Banner) is played?

The answer, hopefully, is that you show proper respect!!!

The U. S. Flag Code of 1923, passed into law in 1942, is the guideline. Only slightly amended since 1923, the U. S. Flag Code has ten sections. There are no penalties provided for violations.

Veterans and other groups teach flag etiquette in communities small, and large, across the country. Periodically, there are amendments to the U. S. Flag Code. An amendment that caught my eye recently is: U.S. military veterans, not in uniform, may 'render the military salute' when the Stars and Stripes passes or during the National Anthem. F Y I

# **Alliance High School Distinguished Alumni**

The Alliance High School Distinguished Alumni Selection Committee was established in 1966, under the chairmanship of Clarence Steffy, to recognize Alliance High School graduates who have made outstanding contributions to society on a local, state, national or international basis. Criteria for selection are established that the individual must be an AHS graduate, must have graduated at least five years prior to selection and may be living or deceased. Accomplishments must be so outstanding that there is no question of his or her qualifications for selection.

John Bentia

Including the initial selection of fourteen 'Distinguished Alumni' in 1967, a total of 96 AHS graduates have been honored as 'Distinguished Alumni.'

The selection committee has implemented a plan of honoring a Distinguished Alumni Class every fourth year, but nominations are continually being sought and accepted.

Many of these Distinguished Alumni were selected prior to the reestablishment of the AHS Foundation and the publishing of this newsletter. In this and ensuing issues, we will share some of the achievements that qualified those graduates who have been honored as Alliance High School Distinguished Alumni.

Go to the AHS Alumni Foundation website: www.ahsalumnifoundation.org to view a complete listing of honorees. Click on each name to read about their individual accomplishments.

Inducted in 1967, John Bentia, AHS Class of 1934, was a well known Alliance industrialist. He began at Alliance Manufacturing Company as an assistant purchasing agent and at the time of his induction was President of the company.

He served on the Board of Directors of Alliance Manufacturing, Alliance First National City Bank and the Electronic Industries Association. Mr. Bentia was also a

member of the Board of Trustees of Rodman Public Library, the National Pro Football Hall of Fame, the Alliance Area Chamber of Commerce and Mount Union College.

In 1957 he received the Horatio Alger Award, presented annually to outstanding Americans who succeeded in spite of adversity and exemplify dedication, purpose and perseverance in their personal and professional lives. Mr. Bentia passed away in 1978 at age 61.

When the AHS Distinguished Alumni program was established in 1967, it was anticipated that recognition of former graduates would inspire current students. When Gary Wilson '58, worked summers at Alliance Manufacturing, he emulated John Bentia. Wilson asked Bentia's secretary what books he read and then read them himself. Wilson went on to become Chief Financial Officer for the Walt Disney Company and Marriot Corporation and Chairman of the Board of Northwest Airlines. Mr. Wilson was inducted as an AHS Distinguished Alumnus in 1986. He has returned to AHS numerous times during his career and undoubtedly influenced future AHS Distinguished Alumni.
