CLASS OF 1965 ESTABLISHES SCHOLARSHIP

he Alliance High School Class of 1965 has established a scholarship fund to honor the many dedicated teachers and administrators that guided and supported classmates during their years at AHS. Members of the Class of 1965 decided to establish this fund as a part of their Fiftieth Reunion Celebration held in August 2015.

A 2016 AHS graduate will receive the first award in the amount of \$1,000.00. An ongoing effort to raise this endowment has been headed by Class of 1965 members Dave Wolpert and Deborah Hornberger, along with a committee of classmates. Gifts and pledges from over 50 classmates and friends have established the endowment fund, which will be administered by the AHS Foundation. At this writing, \$23,000.00 has been received with an additional \$9,000.00 pledged.

A complete description of the Class of 1965 scholarship and a four minute video prepared by class members Art Garnes and Bob Potts can be viewed by visiting

www.ahsalumnifoundation.org, clicking on the Scholarship Tab and selecting the Class of 1965 Scholarship.

www.ahsalumnifoundation.org Winter-Spring 2016

The committee hopes that additional classmates and friends will get involved through their donations and that all donors will consider an annual gift to the fund. Gifts to the Class of 1965 Scholarship Fund should be sent to the AHS Foundation, PO BOX 3123, Alliance, Ohio 44601-7123 and marked "Class of 1965 Scholarship Fund."

The committee's goal is to raise enough endowment funds that the interest and dividends earned annually will allow the presentation of the scholarship to a new and deserving recipient each year.

Requirements, in addition to being an AHS graduating senior, include: must be a resident of the Alliance School District, have a minimum 2.5 GPA, exhibit potential for success at an accredited four year college or university or a two year technical school, have demonstrated good character and integrity and completing a Class of 1965 Scholarship Application form on time (Application is available in the AHS Guidance office).

The selection committee will consider the application, financial need and extracurricular school and community activities.

LOSSES IN THE AHS FAMILY

Charles Gehm '48 died June 13, 2015. Charles was named an Alliance High School Distinguished Alum in 1985 for his lifetime of achievement in the field of Art. One of his first assignments (while still in high school) was creating, along with Jack Stanley '48, the large wall murals that still hang in the AHS auditorium. After military service during the Korean War, Charles had a long career as an illustrator for book covers for nearly every major United States publishing house.

Francis A Peters '37 died January 13, 2016. Francis was named an Alliance High School Distinguished Alum in 2004 for his lifetime of community service in teaching swimming. The Red Cross has credited him with teaching over 10,000 area residents their 'learn to swim' program during his fifty plus years as a volunteer. In World War II he served on a Navy Destroyer in the Pacific Theater.

ALLIANCE HIRES NEW FOOTBALL COACH

Seth Whiting, a graduate of Northwest High School and Baldwin College is the new Alliance High School Football coach.

The Board of Education made it official on January 19, 2016, with the hiring announcement. Whiting will replace Mike Schott '88 who resigned as Head Football coach after last season to fill the position of full-time Athletic Director after seven years as both Head Football coach and AD.

Whiting, who is 31 years old, spent the past four years as Head Football coach of Springfield Northwestern High School, a Division V school located between Columbus and Dayton. He was an All-NBC and All-Ohio football performer in the early 2000's at Northwest where his father, Vic Whiting, has been Head Football coach for 17 years.

In addition to being a Baldwin Wallace graduate, Whiting has a master's degree from Walsh University. He begins his tenure at AHS on February 29, 2016, finishing this school year as a full-time substitute teacher. In the fall he will teach Social Studies along with his coaching duties.

Class of 1941 is celebrating its 75th Reunion all year long. The first Wednesday of each month at 12:30 pm, celebrate wherever you are or plan to come to Chives Grille in Alliance and join your classmates for lunch. The Class Committee is Fran Strazi Fisher, William 'Bil' Hamlin, Jane Ellett Huffman, Selma Umberger Kennedy, Ellen Mary Bedford Kump and Bette Oyster Poto.

STUDENT APPRECIATES SCHOLARSHIP

Dear AHS Foundation and Alumni,

Thank you! The Alliance High School Foundation Renewable Scholarship that I received in 2012 allowed me to afford Kenyon College's tuition for all four years with very little worry. I'm incredibly grateful for that. Kenyon has been an amazing experience for me. I am a Religious Studies major with a minor in Russian language, a combination that has allowed me to learn about a wide variety of cultures and world views. Between this broad curriculum and Kenyon's emphasis on writing, I feel the education afforded me by this scholarship has left me well prepared for the career in journalism I hope to build. I have nothing but gratitude for the Alliance High School Foundation and AHS Alumni for the wonderful education you have helped to provide for me and the future that that education will bring.

Alexandra Greenwald, AHS '12 & Kenyon College '16

Editor's note: The AHS Foundation has been assisting with the financial needs of AHS graduates as they pursue their educational goals beyond high school since 1987.

PayPal Contributions can be made through the Website

Support of the AHS Foundation Scholarship Program is, and always has been, through donations of AHS alumni and friends. Traditionally donations, dues and memorial gifts have been received via alumni checks. With the advent of the AHS Alumni Foundation website www.ahsalumnifoundation.org your gift may be made through PayPal. Just go to the website and click on donations at the Homepage. Please include your name (maiden name too, please), class year and, if you wish, memorial information.

LOOKING FOR AHS GRADUATES

We continue to search for AHS graduates mailing addresses. Our principal means of keeping in touch with alumni for the past 30 years has been through the newsletter. Today's, and many recent, classes have reduced or eliminated mailing costs as they plan their reunions by communication through FaceBook and other media. Consequently the AHS Foundation mailing list is not being updated as it should.

Our goal is to reach every Alliance High graduate. Last May we launched the AHS Alumni Foundation website www.ahsalumnifoundation.org as another avenue for communication.

If your class has a website or a FaceBook Page, please post that your classmates should contact us with their updated mailing address information if they are not receiving the newsletter.

Ask a classmate, a relative or a friend if they are receiving the newsletter. If they are not, tell them about our website and send us their name, address and class year (maiden name too). Your help will increase our reach and help make our goal of communicating with every AHS graduate.

Thank you for your help.

Class Ring Lost in WW II can you help to replace it?

Joseph Bara left Alliance High School early to join the Army in 1944. Officially, he did not graduate until the 1980's, but he had received his 1945 Class Ring before he left school.

After training Joe joined the 13th Division of the 82nd Airborne and shipped out to the European theater. While advancing across France, he lost his Class ring somewhere on the battlefield.

If by some miracle you found it, or do find it, please contact Joe's son, Craig Bara (craig.bara@yahoo.com).

If you have a man's AHS Class Ring from 1944 or 1945 and would be willing to part with it, again, please contact Craig Bara. Joe Bara died in 1990 and having a memento of his father's past would mean a lot to Craig.

"DAYS OF GLORY" SCHOLARSHIP IN HONOR **OF JOHN WEITZEL**

A volunteer committee of AHS band alumni is working to establish a scholarship in honor of John Weitzel, AHS Band Director from 1961 to 1978. The committee has been meeting regularly to establish scholarship criteria, develop a selection process, collect contact information for former musicians, and acquire contributions for this effort.

John Weitzel's tenure at Alliance High School established a new standard of excellence. The Weitzel Bands continued a long tradition that started in 1926 with one of the first AHS marching bands receiving a significant and personal award from John Philip Sousa himself. During the Weitzel years (1961 to 1978), the marching band performed at several professional football stadiums as the featured halftime performance. Other significant performances included Miami's Orange Bowl Parade, Disney World, and Detroit's Thanksgiving Day J.L. Hudson Parade.

John Weitzel provided numerous lessons in musicianship, teamwork, organization, leadership, and dedication for all band members. This approach promoted and developed not only outstanding performances, but also an attention to detail and civic responsibility. These lessons have resonated with his musicians long after their high school years and the goal of this scholarship is to keep that spirit alive.

The scholarship committee plans to establish a four-year renewable scholarship to be awarded to an AHS senior annually to assist in their continuing education. The goal is to select a student who reflects the values exemplified by Mr. Weitzel.

The scholarship committee has made contact with over 300 band members of the Weitzel years through a mailing in early 2016. They believe that there may be many other band members and supporters of this era and would like to ask them for their help with this scholarship effort. If you did not receive their letter, please contact "Days of Glory" Scholarship Fund committee member Lucy M. Downs, AHS class of 1966, with your John Weitzel, AHS Band Director from 1961 to 1978 contact information at: www. downhome@neo.rr.com.

www.ahsalumnifoundation.org AHS Hosts Job Fair and Continuing Education Event

The next step in education for Alliance High School seniors can be College or Technical School. In this day and age, education beyond high school can be the key to a better life. The administration of Alliance City Schools is working with the students and their families, local businesses, colleges and universities and the AHS Foundation to make the dreams for AHS graduates come true.

Sometimes the cost of these 'dreams' can get in the way of accomplishing them. The high school guidance office is working to make the students aware that scholarship opportunities are available which will assist in overcoming these challenges.

Last fall, a combination scholarship opportunity and job fair was held at AHS. Several colleges and universities were represented. The new Adult Education Program that has been relocated into the high school building was part of the presentation. Local employers, the Armed Forces and many scholarship opportunities were highlighted.

Part of this presentation was an opportunity for students and their families to speak to representatives from businesses, colleges, technical schools and scholarship foundations.

The AHS Foundation was represented by nine of the Board members. We spoke to the students, parents and siblings about the wide range of scholarships that the Foundation offers, thanks to the generosity of AHS Alumni. In many cases, AHS Foundation Scholarships are based on the student's specific interests. Student plans to pursue studies in a medical field, teaching, history, or perhaps just being a descendant of a U S Veteran can qualify them for some scholarships.

This one on one interaction was planned and encouraged through the Guidance office at AHS. Today's post secondary costs are daunting. The goal of all this activity is to help AHS graduates achieve their educational goals without sinking too deep in debt.

AHS BAND HAS LONG PROUD HISTORY

The beginnings of the Alliance High School Band can be traced to 1926, when Stanley Lutz a self taught

musician, teacher and principal in the Alliance School system was challenged by Superintendent B F Stanton to form a high school band.

Prior to 1916 and the World War, nearly every town had a 'City Band.' Community concerts were a major form of entertainment. With the beginning of the War, manpower became limited and city bands gradually became rare. In 1926, the first Alliance High School Band began with only seven boys as members. In 1928, the band had grown to twenty-five musicians and participated in the first Stark County Band contest. The contest was judged by non-other than John Philip Sousa, 'The March King' (also known as the Johnny Appleseed of high school bands). Sousa was touring the country to generate interest in starting high school bands (No doubt the tour would help create a market for his marching music as well.). The Alliance High School band won the contest and was presented an eighteen inch silver Also in 1928, the band played at the railroad station loving cup by Sousa. for President Herbert Hoover's 'whistle stop' in Alliance and they marched to

Close-up of the trophies from 1928 and 1933

the high school at Broadway and Arch with the U S Marine Band.

In the late 1930's Mr. Lutz was involved in the establishment of the AHS Alma Mater. He borrowed the melody from a Cornell University school song and a 1938 AHS graduate, Eleanore Johnston Bratte, is credited with writing the words, "On the rolling verdant terrace..." Lutz also introduced band halftime shows for football games in Alliance. The band practiced in the street prior to the games. He created the first 'game program' as a band fund-raiser.

In 1940 when Stanley Lutz stepped down as band director there were 83 musicians participating.

Shaun Fontaine '97 has been the Band Director since 2005. Band participants for the 2015-16 school year number 120 musicians and auxiliary.

If you have AHS Band information/stories/history please share them with us. Send an Email to info@ahsalumnifoundation.org or a note to AHS Foundation PO BOX 3123, Alliance, OH 44601.

BAND ALUMNI REUNION

This fall, September 9, 2016, the AHS Alumni Band will join the performance for the halftime show during the Alliance versus Crestview football game at Mount Union Stadium.

Any(all) AHS Band Alumni should plan to be part of this reunion and show. Activities are in the planning stages at this time. If you would like more information, want to participate or would like to help, contact Shaun Fontaine at fontainesh@alliancecityschools.org

Cliff Trainer '82 Memorial Scholarship Established

Cliff Traine

On September 19, 2015, the Class of 1982 lost one of its more popular graduates with the passing of Cliff Trainer at age 52. Cliff was well known for his skills as a shooting guard on one of the most successful basketball teams in the history of Alliance High School during the 1981-82 season. That year, the Aviators finished with a record of 22-3 before falling in the Regional Final to their arch-rival, the Barberton Magic.

Always known for his sense of humor and outgoing personality, Cliff was a resident of Alliance and is survived by his two children, Michael and Morgan; sister, Tammy, brothers Jim ('79) and Troy ('82); as well as his companion, Shelly Milburn, her daughter Mikayla ('16) and many family members.

The Class of 1982, assisted by several other AHS graduates, held a scholarship fund-raiser at Don Pancho's Restaurant on October 23, 2015. A member of the fund-raising team, Lisa Phillipi ('82) and her band, Paradox,

played at the event that was attended by over 200 people, featuring a silent auction of nearly 50 baskets and other fund-raising initiatives that brought in \$8,000.

Tragically, the class of 1982 suffered the passing of another popular member of its class, Todd Schafer on October 28, 2015 in Atlanta. At the request of his family, memorial donations, totaling \$1,250 came in to support the Trainer Scholarship in Todd's name.

The Cliff Trainer Memorial Scholarship fund, totaling \$9,250, was transferred to the AHS Foundation in February and will be used to fund two \$500 scholarships annually to one male and one female student-athlete who has demonstrated financial need to attend college. Many thanks go to all who attended or donated to the event, with special thanks going to the committee members who assisted, including class of 1981 graduates Bruce Nordquist and Craig Walizer, class of 1982 members Pat Heddleston, Eva DeLeon, Lisa Gulling Baylor, Shawna Spall, Lisa Phillipi, Mike Calderone, Darlene Wilson Britt, Connie Sams Beltrami, Irvin Stiffler, Wesley Salter and Sally Ailes, as well as Jerry Williams ('83) and Glenn Harris ('87). Also special thanks to

Todd Schafer

Gary Chambers ('82), Pam Ray Chambers ('81), Lori Heddleston, Angi Swonger and Marissa Swonger ('16) for their help the night of the event.

The fund-raising committee hopes to continue to raise money for the Trainer Scholarship fund in the future and the Class of 1982 is also discussing the possibility of creating a scholarship in memory of all its graduates who have passed away. For more information, contact Pat Heddleston at heddlepd@mountunion.edu.

CLASS of 1965 (Cont.)

The AHS Foundation is pleased to accept the administration responsibilities for this new Scholarship Fund. This is the twenty-fourth 'Named Scholarship,' in addition to the AHS Foundation General Scholarship Fund, to become a part of the AHS Foundation family of scholarships and the second created and named by a graduating class. The first was the Class of 1963 Scholarship started in 2013. We hope that this will inspire more graduating classes to consider sponsoring a 'Named Scholarship' in honor of their Class. AHS graduates in 2015 received 53 awards totaling more than \$95,000.00 for continuing education expenses through the AHS Foundation. We appreciate the confidence shown in the Foundation by the Class of 1965 members and all the 'Named Scholarship Fund' donors.

Come check out the new AHS Alumni Foundation website at www.ahsalumnifoundation.org

MAKE A DONATION DIRECTLY FROM YOUR IRA

You can donate to the AHS Foundation Scholarship Fund and not have the amount included in your taxable income. The government has finally passed the law, permanently, that allows taxpayers age 70 ½ or older to make a charitable

contribution directly from their IRA, 401K, etc that will be credited against you Required Minimum Distribution (RMD), but will not be considered part of your taxable income.

The key to this process, that will save you income tax, is to have your IRA Fund make the payment directly to the AHS Foundation. You should not receive the money and forward it to the Foundation. It should come directly from your IRA to qualify for this no-tax treatment.

Communicate with your Fund manager to initiate this process. You will benefit with a reduction in taxes. Alliance High School graduates will benefit with additional scholarships. You can let the government help Alliance students in this way!
