

## New Coastal Pet/Stout Family Scholarship Established

**A** Coastal Pet-Stout Family Scholarship has been established through donations by the Stout family. This scholarship is intended to serve Alliance High School graduates who understand the value of hard work and plan to enter a skilled trade or vocational occupation.

Coastal Pet Products Inc. was founded in 1968 in the basement of a pet shop with only \$300.00 in start-up capital. Brothers, Jim and Tom Stout launched what would become a leading manufacturing business and one of the largest employers in Alliance.

The Company has been located in Alliance since its inception. From the pet shop basement to an interim facility built in 1974 when there were ten employees, they have applied a pioneering spirit and cutting edge innovation and design to make Coastal Pet a leading supplier of collars, leashes and other pet supplies. Their use of nylon webbing instead of traditional leather has revolutionized the industry.

Coastal Pet moved into their current facility in 1994. Now, in 2018, manufacturing operations and 475 employees are housed in the 400,000 square foot facility at the west end of Glamorgan Street, on Leadway Avenue. State of the art manufacturing, supply and distribution systems, continue to keep Coastal Pet in their leadership role of the pet supply industry.

## MESSAGE IN A BOTTLE

### Message found in the Florida Keys after 32 years

In 1986, Neil Johnson '75 and Larry Wolkan '75 were vacationing in the Florida Keys at Bahia Honda State Park where they buried a message in a bottle. Larry's sister, Beth Wolkan Wehry '83, shared that the young men were inspired by an episode of "The Undersea World of Jacques Cousteau" and decided to bury a wine bottle with a note. Neil shared that they were amateur 'wine distillers' at that time, a phase that lasted only a few years.

During 'clean-up' in the aftermath of hurricane Irma last summer, a Florida couple was excited to find a 'long buried bottle.' They reported their find to a local newspaper, which printed a brief story. The faded note inside the bottle read: "On this summer day in 1986, we, Neil Johnson and Larry Wolkan, two Ohio wine makers, leave this legacy for you to find... Happily we may be remembered; Happily we may be forgot; Happily you drink our wine; Happily we rot."

Thanks to George and Edith Maurer Sollie '58/'59 of Marathon, Florida for reporting this story.

Neil still lives in Alliance and Larry now lives in Delaware, Ohio. Incidentally, Larry is the son of Joseph Wolkan, former art teacher at State Street and he was principal at Stanton Junior High for nearly twenty years. Mrs. Wolkan donated sixteen year books from Stanton and four from State Street to the AHS Foundation's collection.

## SPECIAL GIFTS CAN MAKE A DIFFERENCE

Recently, the AHS Foundation received two sizable legacy gifts from deceased AHS graduates who planned for supporting the Foundation's scholarship program while they were still alive. Eileen Roose Sturgeon '39 and Jack L Madison '46 established trusts in the 1990's that provided for the Foundation to share in the distribution of the trust assets after their deaths.

Mrs. Sturgeon left Alliance shortly after graduation. She lived in Santa Monica, California, and taught school for many years, always placing a high value on education for our young people. Mr. Madison served in the U S Coast Guard after graduation from Mount Union College and continued to live in Alliance while working in the corporate accounting offices of the Goodyear Tire and Rubber Company in Akron for forty-five years. He served his family, his community and his church, in many instances focusing his efforts on youth activities.

These gifts will be included in the AHS Foundation General Scholarship Fund, and the earnings will be distributed in the form of scholarships to future AHS graduates.

Donations to the Alliance High School Foundation are always greatly appreciated and serve to benefit current AHS graduates. If you are considering providing additional support, here are some ways for your consideration:

- 1) Naming the Alliance High School Foundation as a beneficiary of an estate or trust.
- 2) Including a bequest in your last will and testament
- 3) Naming the Alliance High School Foundation as the beneficiary of a retirement account or insurance policy.
- 4) Making a contribution directly from your Individual Retirement Account (Qualified Charitable Distribution).
- 5) Forming a charitable trust.

Please consult your tax and legal advisors for additional guidance. Thank you for your support of today's AHS graduates.

If you have questions for the Foundation or would like to discuss a possible gift, email us: [info@ahsalumnifoundation.org](mailto:info@ahsalumnifoundation.org) or mail to: AHS Foundation PO BOX 3123 ALLIANCE OH 44601-7123 ✈

## GRADUATES REVISITED (continued)

**Looking For 1970 Stanton Junior High Yearbook**  
**Diane Dugan Smith '73** is looking for a 1970 Stanton Junior High yearbook. At this writing, FaceBook has been unsuccessful. Anyone who may be willing to share or copy this bit of Stanton history from 1970, please contact Diane at 330-823-1651.

**Brad and Sheri Miller Siefke '76/'83** live in Alliance. Brad is BSA National Sales and Program Manager for GCC/Keller Marketing and Sheri is Practice Manager at Internal Medicine Physicians.

**Sharon McGirr Andreani '79** retired in January after twenty-six years in the Alliance Health Department, the last eighteen as Nursing Director.

### 2000-2023

**Hattie Newman '05** graduated from Mount Union in 2009. This past winter, she was named General Manager of the Alliance Country Club, responsible for all facets of the Clubs operations, including generating increased membership. Hattie has served as Director of Communications and Member Relations at Brookside Country Club in Canton since 2011. Prior to joining Brookside, she was director of Convention Services at the McKinley Grand Hotel in downtown Canton.

**Ande' Green '16** was one of three recipients at the 27th annual Rev. Martin Luther King, Jr. Awards held by the University of Mount Union in January. Also earning the award were Rev. Raymont Johnson and Darnell Tucker. Ande' was also presented a \$500.00 Book Award by Alpha Phi Alpha Fraternity at the event.

**Essence Blue '17** is a sophomore at Mount Union. Last November she competed at the ACC Football Championship weekend in Charlotte, N C, in Dr. Pepper's Tuition Giveaway contest (tossing footballs through a two foot opening in a human sized Dr Pepper can replica). Essence submitted a video made while she

walked through Silver Park explaining her goals of becoming an Intervention Specialist and why she should be chosen to compete for the \$100,000.00 first prize. She did not win, but appreciated the help of many local people in preparing for the event and enjoyed the experience.

**Anthony Young '18**, a University of Mount Union student introduced the Keynote Speaker, Lester Sanders, at the 27th Annual Rev. Martin Luther King, Jr. Awards ceremony in January. During the introduction Young, said of Sanders, a motivational speaker, "He helped us find our path. It gets real fast after high school."

**Will Rose '20** won two state championships at the C T Branin Natatorium in Canton, within about a fifteen minute time frame, in late February at the OHSAA Swimming and Diving Championships. Will was the first place finisher in the 100-yard butterfly and the 100-yard freestyle individual events.

**Jordan Schwartz '23** won the 73rd Regional Spelling Bee at GlenOak High School on March 2nd. Jordan, an eight grader at Alliance Middle School was competing against 44 other students from throughout the region. His winning word in the 11th round was "transposable." ✈

### AHS FOUNDATION ESTABLISHES A FACEBOOK PRESENCE

Search for us on Facebook by typing: AHS Alumni Foundation of Alliance, OH

We are up and running, but still in the planning stages. We hope to include connections to all class pages, develop a network that will inform about events of interest for all alumni, connect to the AHS Foundation website: [www.ahsalumnifoundation.org](http://www.ahsalumnifoundation.org), etc. After you visit our Facebook page, be sure and 'Like' us so you can keep up with all that is happening.

Please share your ideas of what you think should be part of this new opportunity.

### TOP TEN PERCENT FINANCIAL AWARD IS INCREASED

The AHS Foundation board of trustees has approved an increase to \$ 300.00 for the award to be presented in May to each member of the top ten percent of the class of 2019.

Initially awarded at \$ 100.00 in 1991, this Top Ten Percent award grew to \$ 200.00 in 1999 and will now be \$ 300.00 to each of the Academic Top Ten percent students.

The generosity of AHS alumni and friends make these awards and all the scholarships presented through the AHS Foundation possible. In 2019 we estimate that the AHS Foundation will award over \$ 110,000.00 in scholarships to AHS graduating seniors.
